Jack and Jill
went up the hill,
Looking for a chocolate mill,
Jack packed up bags,
and Jill got all the snacks,
Both climbed the hill,
and never looked back.

On the top of hill,
They found a mill,
But it wasn't what they were after.

As, they entered,
They heard a devilish laughter,
and saw the hiding "CORONA" monster

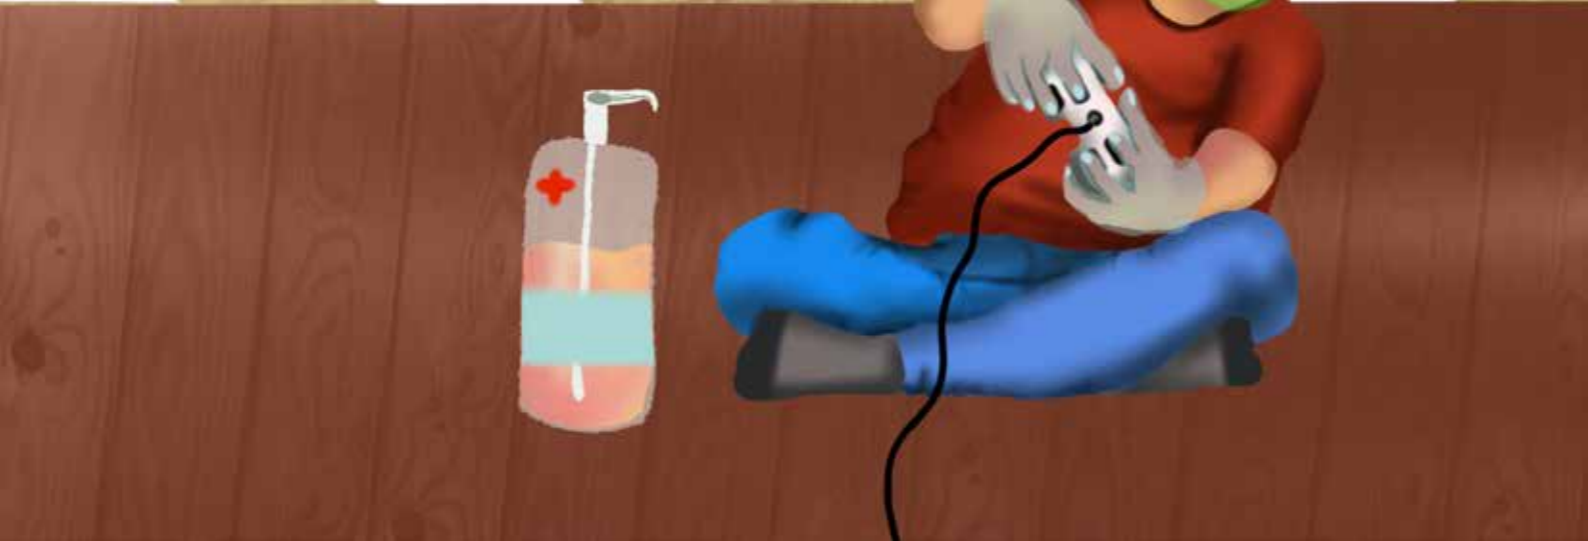

They screamed and ran
But never can
escape the "CORONA" monster
without good immunity and a Doctor.

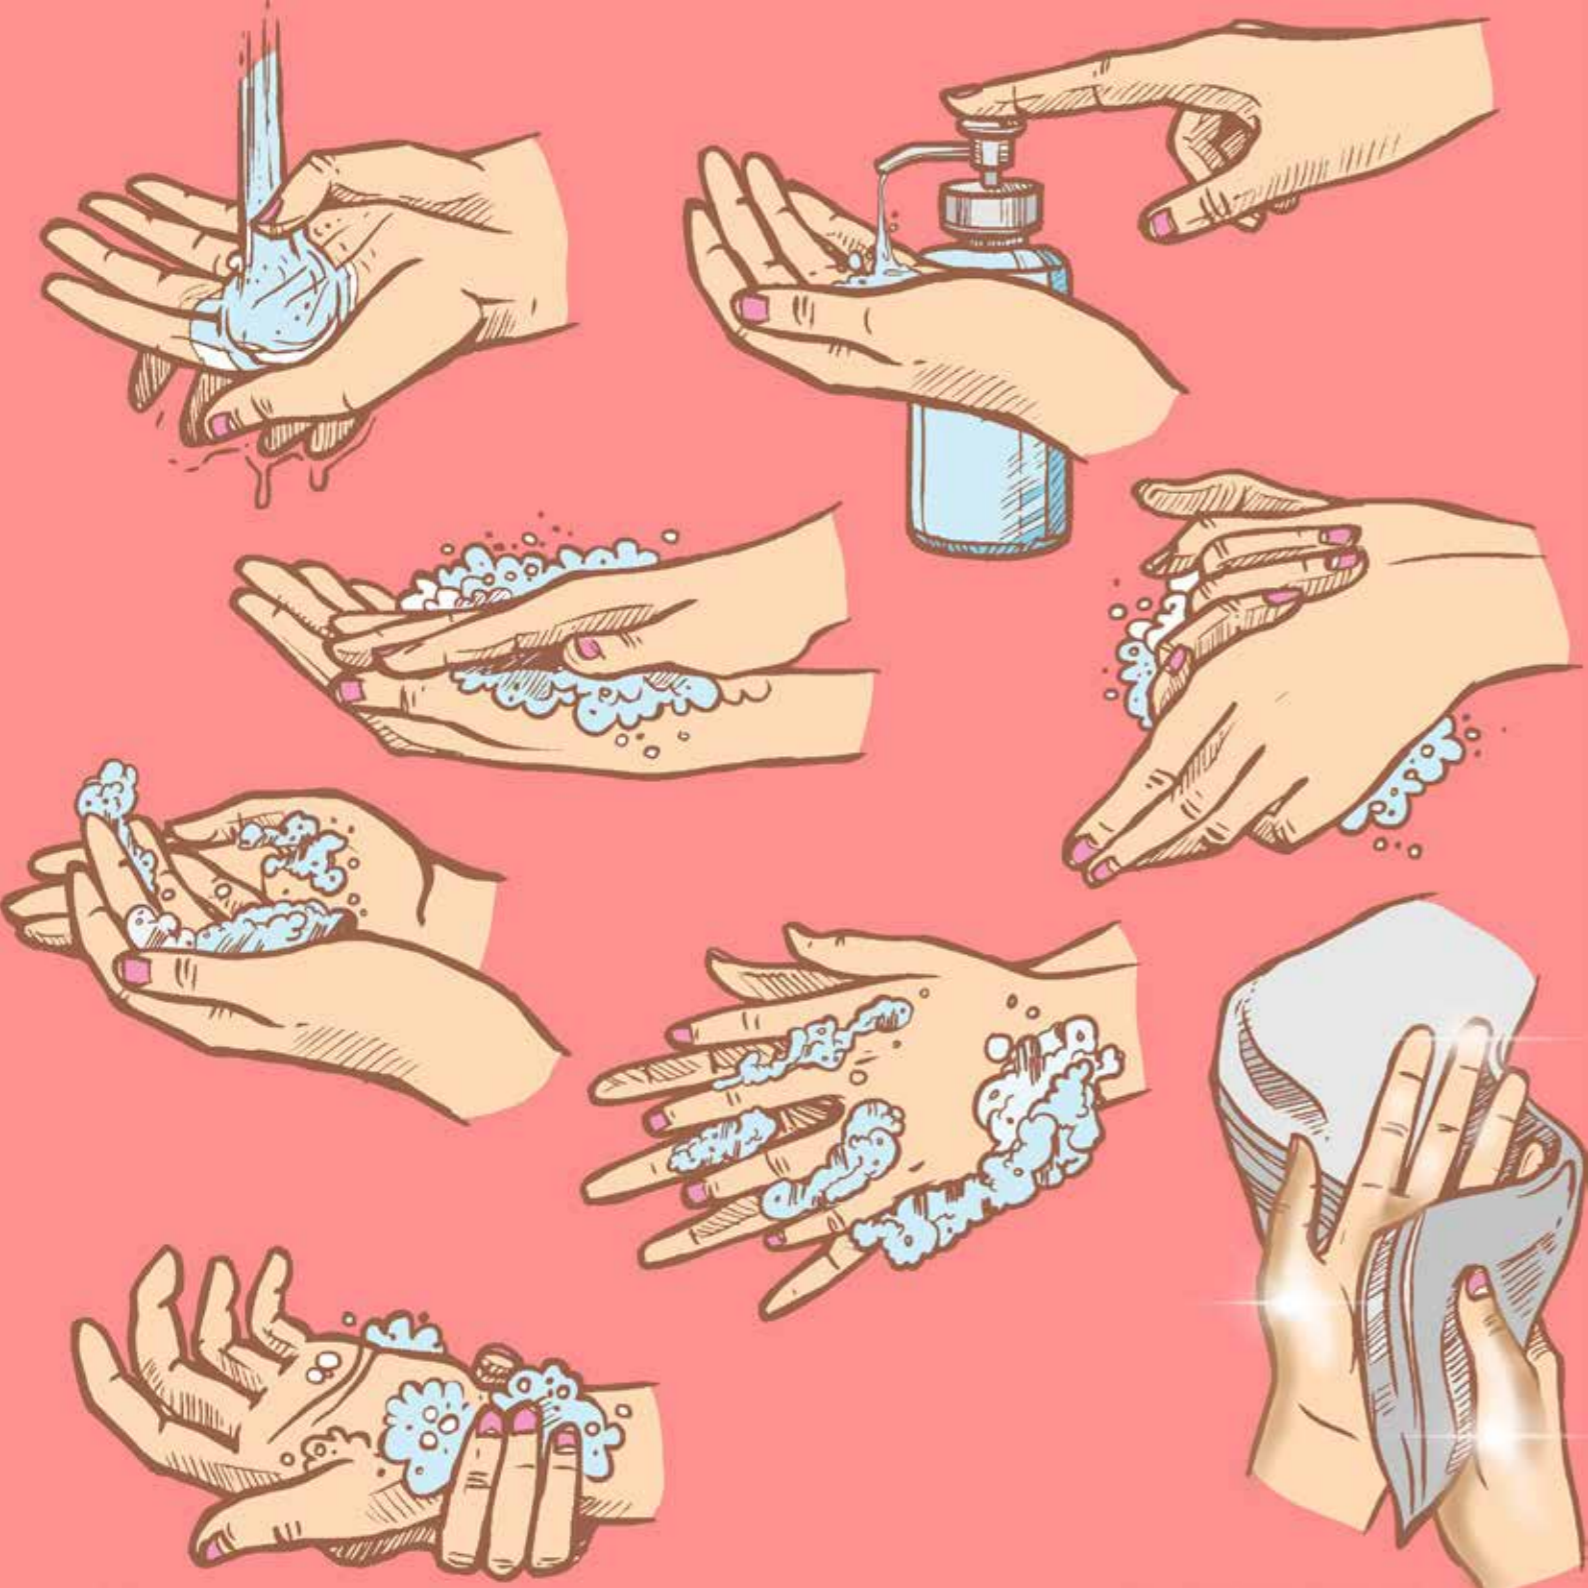

The doctor, gave them
Mask and soap
gloves and a hand sanitizer
Also, told them to be wiser.

She said:
Dear Jack and Jill,
go back, beyond the hill,
and step into your Quarter

Wash your hands for 20 seconds,
and kill the devil monster.
